Mr Plant Hire plc E-Billing now available

E-Billing is an easier and secure way to view your invoices and statements

E-Bill offers a speedy, secure, accurate and environmentally friendly method. Why?

- **It eliminates the pollution created from traditional print & post methods**
- **It gives you the ability to save invoices electronically to your computer, reducing paper wastage, filing methods and manual data entry thus saving you valuable wasted time & energy**
- **Any postal disruption will not effect you as your ebill will be sent out to you same day**
- **It helps you to do your bit to reduce your carbon footprint**
- **Access your documents day & night**

Sign up to start receiving electronic invoices now
